## Memorandum

Rocky Flats Office

EPD:GSH:01546

DOE-RFO supplemental comments on EG&G Rocky Flats Standard Operating Procedures entitled, "Identification and Protection for Threatened, Endangered, and Special Species of Concern-1-DO6-EPR-END.03," and "Migratory Bird Evaluation and Protection-1-GPR-EPR-END-04"

S. M. Nesta, Manager  
EG&G Rocky Flats, Ecology and NEPA Division

Attached are the Department of Energy/Rocky Flats Office, Environmental Protection Division (EPD), supplemental comments to the subject standard operating procedures (SOPs). We believe these suggested modifications to the subject documents assist in further clarifying these SOPs.

Given the status of implementation for a number of projects associated with the Rocky Flats Site, particularly in the Buffer Zone and within OU3, EPD encourages the immediate implementation of the revised SOPs.

Please contact me at extension 3424 if you or your staff have questions or require further information.

Gail S. Hill  
Acting Director  
Environmental Protection Division
